**Delbarton will look to prove its dominance that the team has exhibited all season long. Coach Bruce Shatel will have the Green Wave ready. GC has had an outstanding year and knocked off #2 CBA 5-2 to get here. Previous meeting was a 4-2 Green Wave win. Expect the margin to be higher on Saturday.**

**Toms River South is a cinderella story this year coming from Shore B and knocking off some of the states best in the tourney. Randolph and Coach Rich McLaughlin will need to figure a way to shatter the glass slipper. This has all the elements to be a game to remember. Slightest edge to experience but anything can happen...**

**Very even matchup of lower ranked teams who have risen to the occasion for the state tournament.**

**The stats, records and ranks are extremely even for this game and we expect it to be decided in OT. With that said, we give the slightest edge to goaltending in our game selection. Should be a barn burner...**
